

Donation Options for Canadian Donors

1. Mail

Write a cheque or money order payable to **TeachBeyond** and send to:

TeachBeyond

2121 Henderson Hwy.
Winnipeg, MB R2G 1P8

Please note the designation of each donation on a separate slip of paper – e.g. “for the ministry of missionary or project name.”

For **TeachBeyond** pledge forms **click here**. For each mailed donation the donor will receive an acknowledgment of the gift, along with a tear-off portion and return envelope for subsequent donations. An official receipt for income tax purposes will be mailed to the donor early in the new year, reflecting all of the previous year’s donations.

2. Automatic Withdrawal (EFT – Electronic Funds Transfer)

Funds are transferred directly from the donor’s chequing or savings account to **TeachBeyond**. The donor sends a completed pledge form along with a voided cheque to the Canadian office (see address above). Note that there are only two withdrawal dates each month, the 1st or the 15th. Donors must indicate which they prefer. For TeachBeyond pledge forms **click here**. Donors who give using an EFT will receive a monthly email acknowledgement of their donations, as well as a year-end receipt.

3. Online Credit Card Donations via PayPal

On the website click on “Donate.” Then choose either “One-time donation” or “Monthly donations” and follow the prompts. In order to process recurring monthly donations the donor must use or create a personal PayPal account. The fees (1.9% plus 30 cents for each transaction) will be deducted before the donation is credited to the designated missionary project, but the donor will be receipted for the entire amount. The receipt for the final donation of the year will reflect the year’s total giving and can be used for income tax filing.

TeachBeyond sends a detailed monthly donation statement to each missionary, which keeps the missionary informed regarding donations.
