

Donation Options for US Donors

1. Mail

Write a check or purchase a money order payable to **TeachBeyond** and send to:

TeachBeyond

PO Box 6248

Bloomington, IL 60108-6248

Please note the designation of each donation on a separate slip of paper – e.g. “for the ministry of missionary or project name.”

For **TeachBeyond pledge forms** [click here](#). Each mailed donation generates an official receipt, which is mailed to the donor, along with a tear-off portion and an addressed return envelope for subsequent donations. The receipt for the final donation of the year will reflect the total year’s giving and can be used for income tax filing.

2. Automatic Withdrawal (EFT – Electronic Funds Transfer)

Funds are transferred directly from the donor’s checking or savings account to **TeachBeyond**. The donor sends a completed pledge form along with a voided check to the office (see address above). Note that there are only two withdrawal dates each month, the 5th or the 20th. Donors must indicate which they prefer. For TeachBeyond pledge forms [click here](#). Donors who give using an EFT will receive a monthly email acknowledgment of their donation, as well as a year-end receipt.

3. Online Credit Card Donations via PayPal

On the website click on “Donate” and then “Donate” again under *US*. If setting up recurring monthly donations, choose “Yes” when prompted. For one-time donations choose “No.” NOTE: In order to process recurring monthly donations, use an existing personal PayPal account or create a new account. The fees for this service (2.2% plus 30 cents for each transaction) will be deducted before the donation is credited to the designated missionary project, but the donor will be receipted for the entire amount. The receipt for the final donation of the year will reflect the year’s total giving and can be used for income tax filing.

TeachBeyond sends a monthly statement to each missionary, which keeps the missionary informed regarding donations.
